12.08.030 Species of trees prohibited in town. A. It is unlawful to sell or import into the town or to plant or cause to be planted within the city limits any of the following species of trees:

1. Any cotton-bearing cottonwood tree (Genus Populus);

2. Any female boxelder tree (Acer Negundo).

B. In addition, it is unlawful to plant or cause to be planted any of the following species of trees on the right-of-way of any street, alley, sidewalk or other public place within the city:

1. Any of the poplar species (Genus Populus) except aspen (Populus Tremuloides);

2. Any of the willow species (Genus Salix);

3. Any boxelder tree (Acer Negundo);

4. Any weeping or pendulous type tree;

5. Any tree with a bushy growth habit, which cannot be maintained to a single leader or trunk;

6. Any tree, shrub or hedge growth which by its habit or growth would obstruct, restrict or conflict with necessary and safe use of the public rights-of-way. (Ord. 150 §3, 1986)

12.08.040 Spacing. The spacing of street trees shall be in accordance with the size class species listed in Section 12.08.020 and no trees may be planted closer than the following: small trees, thirty feet; large trees, fifty feet; except in special plantings approved by the park and tree board. (Ord. 150 §4, 1986)

12.08.050 Distances--From curbs, sidewalks and center of right-of-way. In areas where sidewalks exist, small trees must be two feet away, and large trees must be four feet away. In areas without sidewalks, trees must be placed the same distance. (Ord. 150 §5, 1986)

12.08.060 Distances--From street corners and fire plugs. No street tree shall be planted closer than thirty-five feet to a street corner measured from the point of the nearest intersecting curblines. No street tree shall be planted closer than twenty feet to any fireplug. (Ord. 150 §6, 1986)

12.08.070 Utilities. No street tree other than those species listed as small trees in Section 12.08.020 may be planted under or within ten lateral feet of any overhead utility wire or over or within twenty feet of any underground sewer line, transmission line or other utility. (Ord. 150 §7, 1986)

12.08.080 Public tree care. A. The town shall have the right to plant, prune, maintain and remove trees, plants and shrubs within the lines of all streets, alleys, avenues, lanes and public grounds.

B. The park and tree board may remove or cause to be removed, any tree or part thereof which is in an unsafe condition or which by reason of its nature is injurious to sewers, electric powerlines, gaslines, waterlines or other public improvements, or is affected with any injurious fungus, insect or other pest.

C. This section does not prohibit the planting of street trees by adjacent property owners providing that the selection and location of the trees is in accordance with Sections 12.08.020 through 12.08.070. (Ord. 150 §8, 1986)

12.08.090 Tree topping. It is unlawful as a normal practice for any person, firm or city department to top any street tree, park tree or other tree on public property. Topping is defined as the severe cutting back of limbs to stubs larger than three inches in diameter within the tree's crown, to such a degree so as to remove normal canopy and disfigure the tree. Trees severely damaged by storms or other causes or certain trees under utility wires or other obstructions where other pruning practices are impractical may be exempted from this chapter at the determination of the town park and tree board. (Ord. 150 §9, 1986)

12.08.100 Pruning for clearance of corners. Every owner of any tree overhanging any street or right-of-way within the town, shall prune the branches so that such branches do not obstruct the light from any street lamp or obstruct the view of any street intersection and so that

there shall be a clear space of eight feet above the surface of the street or sidewalk. The owners shall remove all dead, diseased or dangerous trees, or broken limbs which constitute a menace to the safety of the public. The town shall have the right to prune any tree or shrub on private property when it interferes with the proper spread of light along the street from a street light or intersection visibility of any traffic control device. (Ord. 150 §10, 1986)

12.08.110 Dead or diseased tree removal on private property. The town shall have the right to cause the removal of any dead or diseased trees on private property within the town, when such trees constitute a hazard to life and property or harbor insects or disease which constitute a potential threat to other trees within the town. The park and tree board will notify in writing the owners of such trees. Removal shall be done by the owners at their own expense within sixty days after the date of the service of notice. In the event of failure to comply with such provisions, the city shall have the authority to remove such trees and charge the cost of removal to the owner. Appeal before sixty days may result in a monthly pay schedule to the town. (Ord. 150 §11, 1986)

12.08.120 Removal of stumps. All stumps of street trees and park trees shall be removed below the surface of the ground so that the top of the stump shall not project above the surface of the ground. (Ord. 150 §12, 1986)

12.08.130 Interference with park and tree board. It is unlawful for any person to prevent, delay or interfere with the park and tree board, or any of its agents, while engaging in and about the planting, cultivation, mulching, pruning, spraying or removing of any street tree, park tree or trees on private grounds as authorized within this chapter. (Ord. 150 §13, 1986)

12.08.140 Arborist's license and bond. It is unlawful for any person or firm to engage in the business or occupation of pruning, treating or removing street or park trees within the town without first applying for and procuring a license. The license fee shall be seventy-five dollars for the first year in advance. Renewals shall be twenty-five dollars, provided that no license shall be required of any public service company or town employee doing such work in pursuit of their public service endeavors. Before any license shall be issued, each applicant shall first file evidence of possession of liability insurance in the minimum amounts of one hundred thousand dollars for the death or injury of any one person, three hundred thousand dollars for the injury or death of any number of persons in any one accident and twenty-five thousand dollars for damage to

property. If liability insurance should become cancelled during the period of the license, the licensee shall forfeit the license and fee. The applicant must also show proof that their work will follow the standards of this chapter. (Ord. 150 §14, 1986)

12.08.150 Review by town board.

The town board shall have the right to review the conduct, acts and decisions of the park and tree board. Any person may appeal from any ruling or order of the park and tree board to the town board, who may hear the matter and make a final decision. (Ord. 150 §15, 1986)

12.08.160 Penalty.

It shall be unlawful for any person to plant any tree prohibited by this chapter or to plant in a place or location prohibited by this chapter or to fail to maintain or remove trees or stumps as above required. (Ord. 150 §16, 1986)
(Ord. No. 250, § 10, 6-16-2009)
